

# Faithbridge Leadership Prayer

## Declaration of Dependence

Awesome God, You have done some amazing things in us, through us, and for us already. We always feel closest to You when we are talking to You and waiting patiently with You in prayer.

Lately, we thought we could handle life without leaning on You, but we learned again that we need You in a big way because the challenges we face are so big. We admit that we don't always give You the respect that You deserve. Please forgive us for our sins of pride and our big egos.

We want to be used to bring others to know You because we know it pleases You for everyone to know You and know Your love.

We believe that You want to do something new in our lives, but we understand that if we don't wait in prayer and trust You, it won't happen.

So, Lord, make us more like You. Put a new song in our hearts and in our mouths, a song that celebrates You so that others will see, worship, and trust You. We want to live in ways that make You smile so that our path is clear and our work for You is blessed.
