

# Faithbridge Prayers for Honduras Mission Team

## June 6 – June 13, 2010

*Each one should use whatever gift he has received to serve others, faithfully administering God's grace in various forms. 1 Peter 4:10*

The gifts to serve are given, the opportunity to serve is given, the power to use the gifts in each opportunity is given. Prayer is the discussion with the Giver who brings all things to be. Please pray with attention to the needs that follow so God will bring them to be through His Son, our Savior as He works it out in our lives by filling us with His Spirit, so that we may have the Mind of Christ and serve as He served.

EVERY DAY – That we will demonstrate purity, humility, boldness, wisdom, patience, love for people. That we would have a teachable spirit and be a conduit of God's love through the power of the Holy Spirit.

Sunday, June 6 – Safety for travel to Tegucigalpa and throughout the week. That all of our luggage would arrive with us when we arrive at the airport and that we pass effortlessly through customs and immigration lines without any tariffs imposed.

Monday, June 7 – Lives to be changed by the message of Jesus Christ. That our team would blend into oneness of service and work effectively together. That we be divinely empowered to speak and understand the Spanish language. That our team would be an encouragement to Ron and Shelley.

Tuesday, June 8 – Protection from any illness. Preservation from discouragement, fear, and doubt. Guidance in how to present the Gospel. That we would see the people of Honduras as God sees them, precious souls seeking Him, His truth and His love.

Wednesday, June 9 – Team to experience times of intimacy with Jesus in Bible, prayer and worship. That team is granted grace for cultural adjustments, grace for absence from loved ones at home..

Thursday, June 10 – That we experience and express unity, love, good communication, patience, and spiritual gifts as we interact with the children in the Colonia.

Friday, June 11 – For the House Dedication to be a meaningful experience and that the Holy Spirit move in a mighty way. Shielding from dark forces in spiritual realms.

Saturday, June 12 –. That God would speak to each team member as to the level of continued commitment to and for the ministry of Hope4Honduras and to be bonded to the needs of Mogote by this continued commitment. For Ron and Shelley Jones to have wisdom to design and implement effective efforts that will make a long-term difference in Honduras . . . and that they will be able to establish and maintain solid friendships with government officials and other leaders in their country.

Sunday, June 13 – Travel safety for our return home. For adequate words to describe our trip to family and friends. For ease of transition back into our normal lives without losing the focus, love and concern for the new friends in Mogote..
