2021 ROAD SEASON COVID-19 SAFETY PROTOCOL

TRAINING SEASON

- Training season will be on campus, following the same Sunday protocol in place at Faithbridge.
- We will not have our traditional sandwich building stations, but instead opt for pizza to be eaten in individual breakout spaces to allow for distancing.
- Team building games will be restructured to allow for distancing or omitted.
- We will order The Road branded masks to have on hand should anyone forget or need an extra.

PRE-JOURNEY

- We will ask Goers on overnight Journeys to quarantine for 1 week prior to their Journey.
- We will require a negative test result within 36 hours of departure.
- We will reiterate that after their test, Goers are required to strictly quarantine until their departure date to mitigate as much potential for exposure as is possible.

Why do we go to all of this trouble?

- By quarantining and testing, we will create 'bubbles' within our teams.
- Knowing our teams are COVID free prior to departure will allow for Goers to let their guard down on their journey, but **only when not exposed to people outside of their teams.**
 - o Examples of times that masks will not be required are as follows:
 - Van rides
 - Sleeping
 - Team Time
 - Other times when teams are isolated from anyone not part of their Journey.
 - o Masks will **absolutely** be required during ministry hours with our partners, on work site, and in any public place where potential exists to encounter anyone who is not a part of the team.
- By quarantining and testing, we hope to build trust with the families of Goers. These actions communicate a great deal of thought and care for their Goers. Overall- it says that we want this season to be as "normal" as possible, while not compromising the safety of our teams or those who we are ministering to.

ON SITE

- Before anyone gets in a van to depart for their site, they will answer screening questions and have temperature taken and recorded.
- A rapid testing site will be identified on each site before departure.
- Should a Goer exhibit any COVID symptoms, the following will happen immediately:
 - o The ill Goer will be taken to receive a COVID test.
 - During this time, the rest of the team will stay put. We will contact our partners and let them know that we will not be on site until we have results.
 - o If the test is positive...
 - The Journey is over.
 - Goer's parents will be notified and will have 24 hours to be on site to pick up their student. The parents will receive a \$200 United travel voucher.
 - The remaining Goers will be tested. Any positive cases will be treated as outlined above.
 - Goers testing negative will be immediately driven back to Spring.

- If the test is negative...
 - Treat student that is ill and continually monitor symptoms.
 - If the situation progresses, or new symptoms emerge, we will repeat the process outlined above.
 - The Journey continues.

OTHER PRECAUTIONS:

- Interns will be quarantined and tested at the beginning of each Summer Session.
 - This is at the beginning of the summer, and then again in July following our disorientation week.
- On site, temperatures will be taken each morning and recorded by our site staff.
- All teams will avoid airports. We will utilize 12 passenger and mini vans to travel. (vehicle type depends on the journey. If you are going out of state, you will be in a minivan.)
- Interns will fly from site to site, as necessary, and always following safety guidelines.
- Goers on our 5th/6th grade day trips will mask for the entirety of their journey, as we cannot control what happens at night when they are in the care of their families. The same screening questions and temperature check requirements apply, but these teams will not be required to quarantine or test prior to Journey dates.

*ALL PROTOCOL IS AS OF January 13, 2021 AND IS SUBJECT TO CHANGE.

My Parent/Legal Guardian and I have fully read and agree to the above 2021 Road Season Covid-19 Safety Protocols.
