Dear Families of Faithbridge,

Thank you for supporting the Legacy Campaign. This Fall we've had nearly 500 students join us in worship on Sunday mornings and deep discipleship in our midweek programming! The energy in our beautiful new campus is surely exciting, but even more worthy of celebration are the stories of transformation that we encounter every single time we open the doors. I count myself blessed to serve these young people!

As our students have taken ownership of their new space, they've simultaneously been empowered to take ownership of their own faith. Not only is the building impressive, but also every detail is purposefully designed to maximize our unique student development model. Students are building community through play, worshipping corporately, and digging into Scripture in small groups every single week – under one roof! Our commitment to growing young disciples has been supercharged with this new blessing.

I've recently thought back to my first days of ministry at Faithbridge with my high schoolers in our original space, "the Loft," in 2015. Our student leaders had God-sized dreams of building a student ministry that was so impactful it would eventually outgrow its venue. We had no idea then that the Lord would grow those seeds of faith into the campus we now call home. Your generosity and partnership with Faithbridge brought this vision to fruition and continues to fuel our hope that God will continue to do even more than we can imagine in the lives of the students of Spring, TX.

I thank you for your faithfulness in your support of FSM and pray Paul's encouragement from 2 Corinthians 9:11 that "through us your generosity will result in thanksgiving to God."

Blessings,

Chris Clark
